MASK RE-FRESH POP UP EVENTS

Throughout September the West Allis Health Department is hosting Mask Re-refresh pop up events around the city in the famous city event trailer. Stop by and pick up your new, refreshed, washable cloth mask for you and your family.

Our next stop is at the West Allis - West Milwaukee Recreation Department (2450 South 68th St.) on **September 22nd, 8:30 a.m. to 11:30 a.m.**

GET SCHOOLED IN COVID-19

The West Allis - West Milwaukee School District started the 2020/2021 school year virtually. The district decided to start the year online because because **the local COVID-19 disease burden** in both West Allis (112.67) and Milwaukee County (158.8) **is still high**.

The burden of COVID-19 cases is calculated as the number of confirmed cases per 100,000 residents in the last 14 days. Any disease burden of over 100 is considered a high activity level of disease. Until the disease burden decreases the WA/WM schools will continue to teach virtually.

SEPTEMBER 9: WA/WM DATA UPDATE

Covid Burden
Milwaukee County

High
158.8

14 Day Trend*

Yes

Covid Burden
WA/WM

High
112.67

*14 Day Trend: Percent positive below 5%, Positive cases trend down, Hospitals not in crisis care and not nearing capacity

The school district has a data dashboard to track the various phases of school openings. For more information visit: sites.google.com/wawmsd.org/return-to-school-guide/home

PRACTICE PREVENTION
